

Privacy Enhancing Technologies Symposium

Bristol, UK and Online, 2024

Consent form for PETS 2024 (video recording)

The PETS 2024 event will record the contributions of the speakers and share them both in real time ('streaming') and afterwards in the PETS dissemination channels (YouTube, etc.). The organization responsible for the recordings in Bristol is the National Research Centre on Privacy, Harm Reduction and Adversarial Influence Online (REPHRAIN), University of Bristol (UoB), represented by Sophie Standen, email: rephrain-centre@bristol.ac.uk.

This means that, as a speaker, your personal data will be collected and included in the dissemination materials of the symposium. This process is led by the PETS organizing committee.

By signing this sheet you declare that you are aware of the following:

- The PETS activities you are involved in involve taking pictures and video recordings including your image and/or voice.
- This personal data will be used only with the above-mentioned dissemination purposes conducted in the context of PETS 2024.
- Responsibility for the collection, processing and use of data during PETS lays with UoB. Afterwards, with the PETS organizing committee.
- You have the right of access, rectification, deletion, cancellation, opposition, limiting treatment and portability of any of the personal data you have provided during the above-mentioned activities by contacting Sophie Standen at rephrain-centre@bristol.ac.uk. You also have the right to seek recourse at any time to the applicable Data Protection Authorities in England.

You declare your explicit consent to the above procedure.

You would like to opt-out and not appear in any recorded materials
